Within walking distance to the square, you find this beautiful and cosy apartment. The property is located on the first floor of a traditional mallorcan townhouse and combines very charming the old mallorcan style having wooden beams, traditional carpentry and stone facade, with modern renovation. The apartment offers a living room with access to a small kitchen. The kitchen leads out to an open terrace which also is the picture from the big living room window. Further there are two individual bedrooms and a bathroom with shower. The bedrooms can be connected as a suit or used as separate bedrooms. The bigger bedroom has the extra of in build wardrobe and a small balcony with views to the surrounding mallorcan houses of the neighbourhood. A small shower room has been added to this property in the basement which is the ideal spot for storing bikes or work station, and have a shower after a visit to the beach before entering apartment.
