In front of the house is a nice shady terrace to enjoy hot summer days and the amazing sea views. Air conditioning is not necessary in this location. On top of the cottage is a spacious sun terrace with sunbeds to enjoy the mallorcan summer. You can reach over a footpath (secure shoes and ability is necessary) down the steep coast line to the Cala Deià and enjoy a dip in the refreshing sea. The access to the house is over a rustic drive way through olive grove land passing sheep and goats. Parking at house is available.
