

PS1004 - Project of a new build villa in a quiet location near the beach in Port de Sóller

Category: Sales
Location: Port de Sóller
Property type: House
Plot: ca. 2000 m²
Constructed area: ca. 550 m²

3.450.000 €

Highly modern project of over 500 qm house set on a 2000 qm plot few, steps away from the Repic Beach. The project contains three floors divided in living areas with kitchen, access to garden and terrace areas; further two levels with bedrooms and bathrooms en suite, private access to terraces and even separate living rooms and small kitchenet, all at highest modern standard plus garage on ground floor. As the property can be accessed by two streets you also have a parking area on the roof. The villa has floor heating, air conditioning, a central water decalcifier and auxiliary solar energy. The 4 levels are connected by a lift for more comfort. The views of the bedrooms and terrace are open overlooking the orchards towards the mountains and partially one can enjoy a view of the harbour. Construction and finishing after agreement.
