Somewhat secluded Casita Repic stands on the hillside with one other detached cottage. Access is by 70 steps from the street Can Joy in front of the beach Repic, through a terraced garden. It consists of a double bedroom, living-room, bathroom with walk in shower , fully equipped kitchen and dining area. The house is light and airy but also well equipped for winter/autumn and spring as it has A/C hot and cold. There is also a TV (german Astra Satellite) and Radio / Bluetooth Music Player. The view is spectacular and there is a large terrace with all amenities, a terraced hillside behind reaches up into the pine trees and a further sun terrace with a small mini water reservoir where to enjoy a fresh drink sitting and taking in the beautiful views . There are many walks in the area including a walk from behind the property to the Lighthouse. It is not necessary to hire a car, the tram into Sóller is five minutes away and there are many restaurants and all the facilities you need in the Port
