One of the property's main attractions is its south-facing orientation, providing plenty of natural sunlight and creating a bright and welcoming atmosphere. Its elegant arches, terraces, balustrades and decorative details create a charming and distinctive atmosphere that is difficult to find in more modern developments.

The pool area is the perfect place to relax, enjoy the sunshine or share an al fresco meal with family and friends. The mature plants and traditional architecture add to the sense of privacy and tranquillity.

Thanks to its characteristics, the apartment would make an ideal permanent home, holiday residence or investment property, offering an attractive combination of comfort, natural light, tranquillity and well-kept communal outdoor spaces.
