Modern flat with a covered balcony overlooking Repic Beach in Port de Sóller. The lift takes you just a few steps from the beach, where you can enjoy a wonderful seaside promenade atmosphere. The flat offers two bedrooms and two bathrooms. The white open-plan kitchen-diner is spacious, though not yet renovated, but in very good condition. The living room enjoys an unobstructed view of the bay and leads directly onto the terrace. The flat is let furnished and was recently redecorated in 2026, with one bathroom refurbished. There is a public parking behind the community and residents can have a whole year parking ticket.
