This fabulous flat, situated in a prime location on the upper slopes of the charming fishing village of St Catalina, combines that genuine holiday feeling with a very special sense of home, as here you not only live close to the sea, but right in the heart of one of the most beautiful areas in the region. The flat is situated right at the top of the building, on the 4 th top floor, and as you make your way up, you'll notice there are quite a few steps to climb – but that's precisely what makes reaching the top all the more rewarding, as a wonderful retreat awaits you upstairs, bathed in light and offering a magnificent view. The views are particularly lovely: from the terrace, you can enjoy the view of the harbour, whilst from the bedrooms you look directly out to sea, making every morning and evening something special. The location is simply superb, as you're just a few steps away from cosy restaurants, the lively marina and the town's maritime charm, meaning you can reach everything comfortably on foot. All in all, this is a home in a truly privileged location that beautifully combines tranquillity, views and proximity to the action.
