and lots of sun in Port de Sóller. The apartment is on street level, without stairs, and comfortable parking right in front of the house. It has been recently completely renovated, including a new kitchen and features a beautiful and clean oak laminate floor, new A/C, solar venti heating, new high quality windows and terrace doors made of teak wood with double glazing and an open fireplace. A very cozy and high quality apartment. Above there are partly oblique, partly flat roof and no neighbors. From the covered terrace you have a wonderful view over the bay of Port de Sóller and the surrounding Tramuntana mountains.

This apartment is located in a prime location with south exposure
