Beautiful apartment with two bedrooms and two bathrooms. The second bedroom is equipped with bunk beds so that up to 5 people can be accommodated in this apartment. It has hot and cold air conditioning and satellite TV. The apartment impresses with its bright friendly atmosphere. The open plan living / dining area with open plan kitchen leads directly onto the covered terrace with fantastic panoramic views of the bay, the surrounding mountains and even to the historic church of Sóller. For sun worshipers, a staircase leads up to the private roof terrace and chill out area. Also here is a gas BBQ available. The community has a pool - ideal for children. The beach is only down the stairs and across the street. Please note there are several stairs leading to the apartment so that it is not suitable for handicapped people.
