Located in one of the most desirable areas of Port de Sóller, this outstanding apartment offers a refined combination of comfort, contemporary style, and breathtaking panoramic views over the marina.

The property features a bright open-plan living and dining area, seamlessly connected to a spacious main terrace—the ideal setting for outdoor living throughout the year. The modern kitchen, recently updated and fully equipped with premium appliances, ensures both functionality and elegance.

The highlight of the home is its expansive main terrace, unusually large for the area. It includes a complete outdoor kitchen with barbecue, generous space for gatherings, and an electric awning providing ample shade. From this vantage point, the views of the harbor are simply spectacular.

The apartment offers a master bedroom with custom-built wardrobes and a private en-suite bathroom with bathtub. A second bathroom with shower is conveniently located near the entrance, perfect for guests. There is also an additional guest bedroom and a utility room with washer-dryer and extra storage.

High-quality polished natural stone flooring extends throughout the property. For year-round comfort, the living room is equipped with a pellet stove and a warm/cool air-conditioning system. An integrated audio system provides music to both the indoor areas and the main terrace.

Two additional outdoor terraces complement the property: one featuring a storage shed, and another offering a shaded, private space ideal for relaxing during the warmer months.

Available for seasonable rental winter 25/26.
