Located in the upper part of Port de Sóller, facing south , this little gem offers the perfect spot to relax and enjoy Mallorca`s best. The apartment offers an open plan kitchen , dining and sitting area leading out to the terrace. The bedroom has a double bed of 180x200 and a modern bathroom with shower. Mostl likely one will be enjoying the whole of the day on the generous terrace area. Here there is a covered area with protection against too much sun and a garden area with sun loungers - perfect to reach a book and take a sun bath. For a refreshment the community offers an enourmous pool with sun deck area. This is accessed via a small gate directly from the terrace of the apartment. In the evening one can enjoy the view and the colour game of th emountains turning purple with a nice sun downer drink. This is holiday at its best. Note there are few steps up to the community. One parking spot is available.
