This finca from the 16th century is located in a very beautiful location, hidden in the mountains of Can Ai in Sóller with a view of the Tramuntana mountains. Privacy and tranquility are guaranteed here. The house offers a great entrance with living room and open fireplace and breakfast terrace, as well as kitchen and one bedroom bathroom in the upper area. One level below there is a double bedroom and a smaller extra room with bathroom en suite. A third double bedroom with bathroom en suite is available from the outside and could also be connected. There is a second building with 5 bedrooms and bathrooms each - perfect area for guests. The house is equipped with central heating for the colder days - the summer can be enjoyed to the full by the wonderful pool. The house has been operated many years as an Agroturismo Hotel with 6 beds, but we believe it can be a perfect family home as well. A privileged spot to be.
