Really centrally located to the Plaza of Sóller, in a small side street, behind a nondescript Mallorcan townhouse facade, is this modernistic property combined with a vintage look. The atmospheric entrance hall leads directly to the living area and modern kitchen with access out to the garden area with pool. Here, a dining area under sun protection and the many sun loungers around the pool invites you to linger and enjoy a holiday together. At the pool area there is a shower room with toilet. In the house are on the middle floor the main bedroom with double bed and bathroom en suite and terrace; as well as another bedroom with two single beds and bathroom en suite. On the upper floor there are two further bedrooms, both with single beds, and a bathroom which is shared by both bedrooms of this floor. The entrance area is ideal for parking bicycles and therefore also its an ideal domicile for the sporty guests. A car is not needed in this location.
