A real surprise awaits you when you enter this townhouse in the centre of Sóller. Inconspicuous from the street side, the house offers a spacious residence inside which could almost be a small hotel or B&B. From the courtyard you can enjoy the view of the attractive façade with its small balcony. On the ground floor there is an entrance, a spacious room with fireplace, bathroom, a few steps down another large room with fireplace and access to the cellar and courtyard. The mezzanine floor of the house offers a living - dining room area and adjoining kitchen. The first floor has 4 bedrooms and 1 bathroom and upstairs there are two more rooms and a large roof terrace. The courtyard has separate access and an annex also offers two floors - ideal for any extension. There are no limits to the ideas here.
