Renovated with a high standard the house offers lots of space and open views to the mountains around Sóller. Over three floors the house offers 5 double bedrooms, all of them with bathrooms en suite. On the first floor there is a large living room with bathroom, that could be used as a 6th bedroom suite or office. On the top the house has a magnificent roof terrace with 360° views. The garden with barbeque and the pool invites the guest to escape from the heat of the summer, surrounded with the mountains of Sóller and enjoying the views to the Puig Major. As the house was owned by a well known English artist in the past and it is still nowadays furnished with some of his paintings and furniture, giving a particular style to the property. Without a doubt this house is a jewel, located in one of the nicest areas of Sóller.
