This property is located just 2 km from the town of Sóller in the direction of Deià. The approach is via a private mountain path down the slope, sometimes quite steep. It is a charming semi-attached house in finca style with lots of land and olive trees. The house was recently renovated and can accommodate two couples. This house is less suitable for small children as the bedrooms are in two different buildings. In the main house there is a double bedroom with bathroom en suite on the upper floor, along with a kitchenette and a small living area on the ground floor. The second double bedroom is located next to the pool area in a small house, also with bathroom en suite. The facilities include air conditioning hot / cold, WIFI, a modern and fully equipped kitchen, laundry room, BBQ and a fantastic inviting pool with an enormous sun terrace. A dream place to rent.
