SO1653 - Fantastic Finca with long distance views in the outskirts of Sóller

Category:	Sales
Location:	Sóller
Property type:	House
Plot:	ca. 4000 m2
Constructed area:	ca. 220 m2
Bedrooms:	2

This finca is situated in a quiet, rural location with southern exposure. The slope is not too high and you can still easily walk to the village or Port de Sóller. The house itself is built on two floors and there are several external constructions. At the moment the house has only two very spacious bedrooms. There is the possibility to create three bedrooms and to integrate the outside buildings and to create a spacious living-dining area with access to the outside area. Definitely a special place in the beautiful Tramuntana.
