Impressive renovated penthouse in the heart of Sóller. This fantastic property has been refurbished with top-quality finishes, offering practical, beautiful spaces with the utmost comfort. Located on the fourth floor, this penthouse has 156 m², featuring a welcoming entrance followed by three double bedrooms, all equipped with built-in wardrobes. The living room is spacious, with stunning mountain views. The highlight is the open kitchen with a central island, providing a panoramic view of the living area. Additionally, there is a room that can function as an office with an integrated walk-in wardrobe. The apartment includes two full bathrooms and a laundry area. The flooring is made of solid oak parquet, the kitchen furniture is made of walnut with a ceramic countertop, and the switches are crafted from solid wood and porcelain by FONTINI. Even the crockery and cutlery have been carefully selected. It is located on an emblematic street in Sóller, just a few minutes from the center.
